

You spend an hour buying a bra.
You can take 12 minutes for
your breast health.

It's easy to get so wrapped up in cup size, coverage and support that you don't think about breast health. But a mammogram is one of the most important things you can do to stay ahead of breast cancer. The physicians at Bayfront Health Port Charlotte use digital

For a list of risk factors and American Cancer Society recommendations, visit www.Cancer.org.
Appointments are on a first-come, first-served basis. An order from a physician or qualified healthcare provider is required. All mammogram reports will be sent to the physician/provider, and the patient is responsible for follow-up.
Check with your insurance provider to confirm coverage for a screening mammogram.
If you do not have insurance, options may be available to help with the cost. Visit MDsave.com, or call 941-766-4321.
*The price of \$65 includes both the hospital and radiologist fees with MDsave voucher.
